

Part Exchange

Part Exchange

Here at the Clearview-Homes-Group we are trying to understand the current financial market and how that it can affect or delay your dream to move to healthier and warmer climate.

So we have taken a large step to try and ease the suffering and the dead lock that we are witnessing by introducing a part exchange program.

If you are looking into purchasing a new home in Madeira and wish to purchase a new property from The Clearview homes Group then we are willing to take a Part exchange.

This could be your house, a second property or even a motor cruiser Yacht/ boat or an expensive car.

Even if you have a mortgage or bank loan on the part exchange Property / item

We will pay the debts.

Contact us now for more information.
